

The League of Women Voters of the Palos Verdes Peninsula  
*also serving San Pedro*

is pleased to present an informative webinar on our Marine Protected Areas.

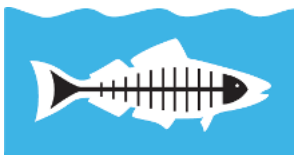

**Saturday, December 4<sup>th</sup>, 2021 at 2:00 p.m.**

This program will explain important Marine Conservation issues facing our fragile ocean and coastal environment and the tools California uses to respond to those threats. This includes a variety of issues including pollution mitigation, fisheries management, protection of tidepools and Marine Protected Areas (MPAs). *Our co – presenters, Linda Chilton of USC Sea Grant and Emily Parker of Heal the Bay, are co - chairs of the LA MPA collaborative.*

Register in advance for this webinar:

After registering, you will receive a confirmation email containing information about joining the webinar.

**Heal the Bay**

As Heal the Bay's Coastal and Marine Scientist, Emily Parker works to keep our oceans and marine ecosystems healthy and clean by advocating for strong legislation and enforcement both locally and statewide.

Linda Chilton is the Education Program Manager for the USC Sea Grant Program bridging science research and education to engage and inform community members, especially educators in coastal and ocean sciences, policy and management.
