From the Activism Chair:

Local Elections Matter!

Thank you to everyone who came out to canvass and phone bank for the Torrance City Council Race, your hard work and involvement clearly made a difference in close races

California is the roadmap to winning back control of Congress

- PV Dems will be focusing on **CD 47 David Min**, who is running to win Katie Porter's old seat and **CD 27 George Whitesides**, who is running to defeat incumbent GOP Congressman Mike Garcia

Help Ohio end gerrymandering

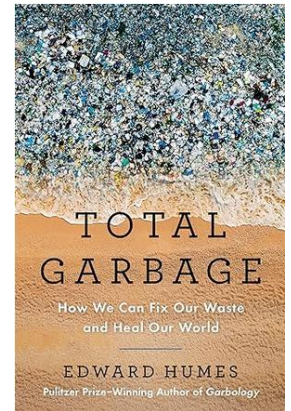

- Support Citizens Not Politicians, a non-partisan group, gather signatures to get a Constitutional Amendment on the ballot to create a transparent, citizen-led process for un-rigging the OH maps for good
- **Join Caryl to phone bank this Thursday, March 21 from 2-4pm,** to end Republican Super Majorities

Upcoming PV Dems Meeting

April 21 Earth Day Special Edition: *Fix Our Waste and Heal the World*

— **Featured Speaker - Edward Humes**, author of *Garbology: Our Dirty Love Affair With Trash* and his recent book, *Total Garbage: How We Can Fix Our Waste and Heal Our World*

- Ed spoke to us April 2022 and is back to help save us from being the “most wasteful civilization in history”
- Ed recently wrote an Op-Ed in the 3-15-24 LA Times *So you want to save the world? Be less trashy*

Opinion: Ours is the most wasteful civilization in history. Here's how to stop that

Trash piles up even in Southern California's wilderness backdrop, the San Gabriel Mountains National Monument in the Angeles National Forest. (Allen J. Schaben / Los Angeles Times)
